

SIDE TABLE NO.I

ZEYNEP BOYAN

Material: Stoneware clay.
Lead time: 8-10 weeks.
Dimensions: Approx. 45 x 25 cm

Customizations available.

SIDE TABLE NO. I is an architectural and sculptural interpretation of everyday objects. It features a three-level, two-sided design with a hollow structure to minimize weight. Each edition has a graduated, tapered design, with each level decreasing in size from bottom to top.

With an intention to increase longevity and achieve a natural finish, Zeynep uses terracotta stoneware clay as medium.

Each one-of-a-kind edition is carefully sculpted, crafted and finished by hand using coiling techniques.

Important: This item is entirely handmade. Due to the nature of the medium and the unique process, slight variations are expected. Please allow for minor differences in dimensions, up to a few centimeters.
